January

Dear Parents,

Welcome back to school!!!!! We hope you all had a wonderful Christmas with family and friends. Our party went great! Everyone did very well with giving away their gifts.
The children said "Thank you." Thank you for teaching them to be appreciative.

Miss Alyssa and I would also like to thank you for your kindness.

In the next few months, we will be working more on writing, tracing and cutting. When you help your child to write their name, please make sure they are holding their pencil and crayon correctly (remind them to pinch it) and use upper case for the first letter only. We will be practicing writing our names in the months to come. Allowing your child to practice with scissors would be greatly appreciated. It would be a great help to us. Cutting pictures from magazines is something they really enjoy.

Thank you
Miss Kim, Miss Alyssa
