

October Director News

Welcome

September is gone! Those four weeks surely did fly by. Everyone is settled in and having fun. We are so blessed to have you child.

Calendar for October

October 11 and 14 – Columbus Day vacation, no school

October 15 and 16 – fall pictures, look for the paper to come home. Please return it to your teacher by October 9.

October 21 – Fall fundraiser of Butterbraids begins

Week of October 28 – Fall parties, see the teachers' newsletter for dates

Later Dates to Remember

November 8 – no school, Solanco is off

November 19 – fundraiser pick up, 11-1

Week of November 25 – Feasts, check the teachers' newsletter for dates

Box Tops

We are still collecting box tops for education. There is a new way to submit. It is a mobile app that you can get from the App Store or Google Play. This download is free. All you have to do is scan your receipt within 14 days of your purchase and your earnings will be automatically updated. You will also get access to special bonus offers.

You are still able to clip the coupons if they are on the box, but eventually it will be completely done through the app. If you have any questions, please see me and I will try to explain it better. Thanks for being willing to change.

Weather Related Closings

Wee Friends follows the Solanco School District closings for weather. If Solanco has a two-hour delay, Wee Friends will have class from 11:00–1:00. Please pack a light lunch for your child to have as a snack.

The afternoon Pre-K will be from 1:30-3:30. (Kindergarten will be regular time.)

Toddler classes are cancelled on delay days.

Please use your judgement as to whether you bring your child to school. If you feel that the weather is too bad, then keep them home. We understand.

Sickness

We understand that children will get sick. Remember that they must be fever free or not vomiting or loose bowels for 24 hours without medication. We clean the tables every day with cleaner to keep the germs down.

If your child has been diagnosed with pink eye, strep, chicken pox, or other transmittable diseases, please let us know so that we can be extra cautious. Thanks for your cooperation in this matter.

Please, text your teacher or call or email the Wee Friend's office if your child is absent.

Out of the mouths of babes:

Teacher: Should we love everyone?

Student: Jesus says we should but it sure is hard sometimes with my brother.
